Terms & Conditions

FREECPR.CO.UK - Basic Life Support

Course Duration

Participants must be present for the entire course in order to gain certification.

Fitness

The participants must be capable of carrying out practical sessions that will include CardioPulmonary Resuscitation (CPR) and the Recovery Position. The participants must be able to achieve this in order to gain certification.

Any physical disability/illness that may hinder physical participation on the course should be discussed with Southwest Medical Services PRIOR to course commencement.

Bookings

Online bookings will be confirmed by email prior to your chosen session commencing. We endeavour to respond to bookings as a matter of priority, however, with significant interest likely, please allow 5 working days before contacting us to enquire.

Cancellation

If, for whatever reason, you are unable to attend your booked session, please inform us at your earliest opportunity so we can reallocate your space. We would then give you priority booking on a future course.

Participant Substitution

We are happy to accept student substitution but we must be informed prior to the course commencing in order to comply with security requirements of some venues. Anyone attending a course who has not booked will be turned away.

Certification

Certification details will be taken from the initial application. If your details are displayed incorrectly on your course confirmation, please let us know at your earliest convenience.

Duplicate certificates, including incorrectly spelt names, will be charged at £5 + vat to cover administration costs.

Children

Under no circumstances are children to accompany individuals to a course. Childcare arrangements should be made in advance and you will be asked to leave the course should this occur

Lower age limit

The FREECPR.CO.UK project is open to those aged 14 and above. Due to the nature of the course, 14 to 16 year olds must be accompanied by an adult.
